The Editor's Desk

D-Day Is Here!!!

Well 1 September 2026 D(ance) Day has arrived. The new square dance Mainstream and Plus lists are now in effect. While the main purpose of these new lists is to facilitate the training of new dancers (and new callers), there is an impact on all of us "old" dancers.

Specificly we have new calls to learn. While the main impact on Mainstream dancers is a number of calls being moved to Plus, the new single circle family of calls needs to be learned. It incorporates "single circle to a wave" which has been moved down from Plus. I do not expect this to cause too much problem, but we experienced dancers need to make allowance for dancers getting used to the calls.

The changes to Plus will be more difficult. Some eight calls have been moved down from Advanced. While they do not appear to be difficult, I had a recent experience with a DBD caller who showed us how difficult they could be. CALLERLAB recognizes the problem. In today's (1 September) press release they state that they expect a transition period of six months to a year for experienced dancers to get used to the changes. That will require for "experienced" dancers to be considerate of other dancers who are still adjusting. I personally believe the results will be worth the effort.

I am also making a change to Calls'N'Cues with this issue. I believe that if Square Dancing is to survive, let alone grow, classes are going to be very important. I would like to request that all clubs send me any flyers and class lists they have so I can include them here. Specifically I am going to list the individual classes in the Calendar of Events section with the note "ANGELS APPRECIATED". My rationale is that angeling classes after graduation are a good way for dancers to get experience. I would like to encourage we end the "push to plus" for new dancers. Let them get a year getting the calls "into their feet" before they move on.

And that's it for this issue. Until the next.

President's Patter Getting back to your dancing roots!

*Steve Cunnion
(WASCA President 2025-2026)*

Fellow dancers,

Fall is here and square dancing is revving up for another year and, of course, revving up for the Spring Festival "Revvin' in '27," March 19-20.

WASCA would love to have you volunteer for two new committees and one standing committee. The first is the Recruitment and Retention Committee. As you all know square dancers are aging out. We need your ideas and time to bring in new dancers. We also need new ways of teaching so beginners can start dancing without waiting eight or twelve weeks to finish lessons.

The second committee that we need staffed is for you computer geeks out there. We need folks who are computer savvy enough to simplify the festival registration database so both online and paper registrations can quickly be unified and current. This includes designing a new paper registration form so it can be scanned directly into the database and avoid hand typing all that information. This database also needs to be highly searchable.

Elections are coming up again for WASCA officers in February. Since the computer geeks will be working on the registration committee, we need you, non-computer types, on the nominating committee to seek out and find nominations for six positions; President, Vice-President, Secretary, Treasurer and two board members.

Qualifications for these positions? You should be looking for folks who truly care about the survival of square dancing and are willing to spend their spare time and energy to do so. Anyone who wants to be nominated will have to write a biographical sketch and tell us how they are willing to advance square dancing and WASCA. These documents will be published in Calls n Cues and be on the WASCA website. The nominating committee should have all nominations completed by the end of November for elections in February. So, if you have not volunteered for any of the above committees, you surely will serve on, at least, one of the festival committee. Festivals don't just happen. It takes many people to make a square dance village that can make it happen!

MEMBERSHIP

By Tom & Nancy Stafford

*Membership & Information Services Director
membership@wascaclubs.com*

48 clubs have renewed their club memberships in WASCA. We have one club, Greene Cloverleafs, which still needs to renew.

We have tried to include accurate data for the clubs but if you plan to attend a club, please contact their information number before you go to make sure they are dancing and their location. You can find the information in the Club Directory in this issue or on the website at www.wascaclubs.org.

We are listing below information for both new and returning Delegates. For a club to remain in good standing, each club must be represented at one or more meetings per fiscal year. The fiscal year is June through May. There are three meetings per fiscal year. A delegate may represent more than one club but can only cast one vote.

There are three Delegates' meetings scheduled for the 2026/2027 membership year. The first Delegate's meeting is on September 27, 2026. This will be a virtual meeting on Zoom starting at 7 pm. There will be information presented on the upcoming "Revvin' in 2027" 66th Spring Festival which will be held March 18-20 2027. This is also a chance for Delegates to present information on their Club's activities, dances and Special Events.

The next two meetings will be February 28, 2027 and May 23, 2027. The February 28, 2027 will be the annual meeting where the Delegates will elect the Executive Committee of the WASCA Board and some Directors. All meetings will be on Zoom.

If you need a copy of the insurance certificate for your venue, please email:

certificates@blueridgeriskpartners.com

Please send email of name and address of certificate holder (Washington Area Square and Round Dance Association) with request.. Include the name of your venue. The new account manager is Colby Posey. The email is colby.posey@bluerideriskpartners.com

If your club's President or Manager, Delegate or Alternate Delegate's name or their contact information changes during the year, please send us the new name with the address, phone number and email address. For insurance to remain valid and to assure delegate meetings' agendas & minutes go to the correct place we need the correct information. We also need any changes in venue and dance schedule.

You can email them to membership@wascaclubs.org or call Nancy's cell at 703-217-1670 or Tom's cell at 703-217-4791 with your changes.

Please send WASCA Club Directory changes to

President's
Message

Notes from NCASDLA for Fall 2026

NCASDLA is the National Capitol Area Square Dance Leaders Association. That's quite a mouthful, but we are a group of callers and cuers that work in Maryland, Virginia, Delaware, West Virginia, and DC. NCASDLA is organized and is operated for pleasure and recreation through the fostering of good fellowship and cooperative relations among square dance leaders and the encouragement of more uniform, enjoyable and wholesome square dancing in the National Capital Area. According to the NCASDLA Constitution, the term "square dance" includes American Square Dances, Contra (longways), Round Dances, and related dances. We are an inclusive group.

Fall is an active time for NCASDLA. Elections were held last month and we have a full slate of officers. The executive committee is elected annually. The Board of Directors serve a three year term, with the terms staggered so that one new BOD member is elected every year.

Executive Officers

President – Gary Felton
Vice President – Bill Harrison
Treasurer – Dick Otis
Secretary -Ed Trever

Board of Directors

Cristina Eum (term ends July 2027)
Chris Stacy (term ends July 2028)
Doren McBroom (term ends July 2029)

CALLERLAB and transitioning

In the first "Chairman's Video" for incoming chair Jack Pladdys, he discussed the "transitioning" from old Mainstream and Plus to new Mainstream and Plus. The purpose of the new programs is to provide a stronger and quicker entry into square dancing. He stated that "Dancers are not expected to know every new call on September first." If you've been dancing anywhere, you've been exposed to the new Plus calls. Clubs and callers have been teaching the new Plus calls since the start of the summer. I think CALLERLAB missed the communication boat on the "transitioning" to the new calls. What I heard was that the new lists took effect on September 1. Until the Jack Pladdys' "Chairman's Video", I wasn't aware there was a transitioning period starting Sept 1. Judging from the area-wide workshops, I think most people were under the same impression.

NCASDLA Members are gearing up for the fall dance season and for classes.

CHOREO CORNER

with Dick Otis

Website: www.DickOtis.com Email: dick.otis@me.com

Time for another exciting edition of Choreo Corner!

Well just to get the obvious out first for your situational awareness. September marks the start of Callerlab's new Plus Program. Area clubs have been holding classes on the 8 new calls and it's now official that Callers are encouraged to include these new calls in their program. The eight calls include:

- (1) Clover And,
- (2) Pair Off,
- (3) Partner Hinge,
- (4) Partner Tag,
- (5) Pass the Sea,
- (6) Scoot and Dodge,
- (7) Triple Trade, and
- (8) 1/4 Thru family, which includes 3/4 Thru.

Additionally, there are 13 calls that Plus dancers already know, moving from the Old Mainstream Program to the Plus Program:

Allemande Thars, Shoot the Star, Slip the Clutch, Circle to a Line, Cloverleaf, Dixie Style to a Wave, Do Paso, Eight Chain Thru, Pass to the Center, Spin Chain Thru, Turn Thru, Walk and Dodge, Walk Around / See Saw

Also new in September Callerlab published the Mainstream Dance Program Teaching Guide, which includes the new Mainstream Suggested Teaching Order. I did an analysis of the New Mainstream program in my March issues of CallsNCues which you can review at:

<https://tinyurl.com/2026CallsnCuesMarch>
or if you like to type:
<http://callsncues.cragg.info/26-02%20March-April/index.html#55>

Speaking of new classes, there are eight clubs in WASCA advertising a new fall class. Clubs generally offer one free 1st nighter. More information is available in CallsNCues,

<http://callsncues.cragg.info>

The Merry Notes are in their second year offering free Thursday night, Mainstream and Plus Classes September - May at the Herndon Senior Center. (Although you MAY need to pay the Dulles Toll Road toll to get there)

OK now that that's out of the way, the topic de jour is how the heck do we get new dancers in our clubs, and how do we treat them when they do come out to try a class.

This topic has been discussed to death by better people than me, and I certainly do not have the definitive answer. I can however, discuss some of the discussion topics. OK I cheated and asked ChatGPT and you know, their answer is not half bad!

"The biggest thing is to sell the experience, not the dance. A lot of people hear "square dancing" and picture something old-fashioned, complicated, or requiring special clothes. Your goal is to make it sound easy, social, and fun—even if they've never danced before.

What tends to work

- Use "no experience necessary" prominently. People worry they'll look foolish.
- Make it social: "Meet people, laugh, move, and have a great night."

- *Remove the commitment:* Offer a free or very low-cost first class.
- *Tell them what to expect:* “No partner needed. No special shoes. We’ll teach you everything.”
- *Invite groups:* Couples, friends, singles, co-workers, parents and adult kids, etc.
- *Create a beginner night/event rather than simply advertising a recurring “class.”*
- *Show people having fun.* Short videos/photos of smiling beginners dancing together will likely outperform a text-heavy flyer.
- *Give people a reason to come this week:* a themed night, free first lesson, ice cream/social afterward, beginner mixer, etc.
- *Personally invite people.* A direct “Come try it with me!” is much stronger than a generic advertisement.”

Off the top of my head, my first answer would be their last bullet. A personal invite and offer to have them join you is always the best solution. Fear is not a motivator and most of the other recommendations are trying to overcome the fear of doing something for the first time. Or at least the first time since grade school many years ago.

My second answer is to recognize for many people times are tough. We hear every day in the media that the economy is in the dumps, people don’t have money for the basics, gas is expensive. Many people can’t afford to eat out. They can’t afford to go to the movies, not only by themselves but more so if they have kids. Once people get hooked on square (and/or round) dancing they will be willing to pay to dance. But learning to dance? Just another (avoidable) expense. My personal solution to this, because I’m in a unique position to do so, is free classes.

My third answer is advertising. I’m really bad at advertising. After college I applied for a sales job and at the interview, I was told “not for you, find something else to do”. (FYI I went and taught a year of 10th grade biology classes – that worked out OK – well until the 1967 draft).

The acknowledge expert of all time (at least by me) is Eva Murray. My head spins when she shows me what she is doing.

What I see people doing (including me) is making really nice flyers and distributing them throughout the square dance community. (I also advertise on the local Hendon Patch). The problem with this approach, is that you are preaching to the choir (e.g other dancers) which circles back to my first answer. You need that “personal testimonial” and participation from experienced dancers.

There is hope however. To me a bright star on the horizon is Grant Moser. There are other excellent new callers, but Grant is the one I’ve been working with.

Grant is (just) 17 and has been calling for a couple of years now. You may have seen his demonstration team at WASCA. Amazing. When he comes to call for Merry Notes, he usually shows up with two plus squares of his own club teen dancers. Grant calls for several clubs in the area (not always with his entourage in tow).

Young(er) people are the future of square dancing if we want to grow. And if we want to have callers to hire in the future. Just my thoughts.

RDTA President's Message

by
Ken & Berni Ryder

Greetings, WASCA and MDSDF dancers

We enjoyed dancing with many of our WASCA and MDSDF dancing friends at the Star Spangled Banner Festival this past July and hope everyone had a great time at the various other special dancing events available this summer. With Labor Day upon us and September at hand, we can now anticipate returning to outstanding dancing at our local round dance clubs. In Maryland, the Filardos will be dancing on Tuesday evenings, the Shottings on Sunday and Wednesday evenings with special dances on selected Saturdays, the Kincaids on alternative Friday evenings and the Buchanans on Thursday evenings. In Virginia, Christina Eum will dance on first Friday evenings, the Buchanans on Wednesday evenings at the Lincolnia Senior Center, the Hoppers on Tuesdays in the Charlottesville area, the Springers in the Richmond area, and the Ryders on Sunday evenings, Monday afternoons and Thursday evenings in the Springfield and Annandale areas.

The RDTA annual Butterfly Ball was held on Saturday, August 15, at a new locale -- the Greenbelt Community Center on Crescent Rd in Greenbelt Md. The large wooden floor in the Center's gymnasium provided an excellent dancing venue. We know the dancers who were able to join us thoroughly enjoyed the phase II-IV dances presented by Christina Eum, Eileen Hopper, Peg Kincaid, Amy Shotting and Ken Ryder. Special thanks to Berni Ryder for organizing the refreshment table. With all those tasty treats the cuer staff brought for everyone to enjoy, dancers had scrumptious goodies to savor while taking their breaks from the two and one-half hours of outstanding dancing. It was a great party time that everyone enjoyed.

RDTA is still making plans to hold their annual Autumn Leaves Ball later this fall in late October or early November. Once we determine a date, time, and place, we'll distribute a flyer and proposed dance program electronically through both the MDSDF and WASCA dancers portals,

As we resume dancing with our various clubs this fall, there are also opportunities for dancers to consider taking some round dance lessons to learn a new rhythm, a different activity, or "brush up" on some rhythms you're still not fully comfortable dancing. The Shottings will be holding a new beginner class on Monday evenings and a second year beginner class on Thursday evenings in MD; call the Shottings for more information. The Ryders will be holding a beginner class on Sunday evenings in VA. See the information available on all current Round Dance classes or workshops in the section on Dance Classes later in this Calls 'N Cues Issue and then check with one of the leaders holding a class convenient for you to see when they will be starting to teach or review a new rhythm.

We look forward to seeing and dancing with all our MDSDF and WASCA round dancer friends as they enjoying the return to local round dancing this fall.

REVVIN' IN '27

According to Taste

Just saying the word, “revvin’”, evokes what? Gorgeous cars of course! Engines revving, chassis shaking, tires squealing, eyes glowing. Racetracks, highways, parking lots and school grounds are where drivers bring their cars to race, idle or even remain stationary, showing off the new Candy Apple Red paint job or brilliant graphics.

Once the wheel was invented, transportation, whether of items or of people, eventually became a thing of beauty as well as utility. One may indeed wonder if prehistoric teens decorated their stone-hewn ‘wheels’ with colorful flowers, vines or berries. Certainly, as soon as automobiles began replacing horse-drawn carriages, owners were personalizing them.

In the early 1900s, skilled artisans applied pinstriping to highlight body curves and panel edges. At first, this décor was reserved for wealthy drivers and upscale models. But by the ‘30’s and ‘40’ contrasting colors and ornate lines became less expensive and thus more popular, signs of both pride and personality. During the 1950’s to 1970’s, the Golden Age of Autos, artists like Von Dutch (a/k/a Kenneth Robert Howard, an American motorcycle mechanic, artist, pin striper, metal fabricator, knifemaker and gunsmith) popularized colorful graphics and freehand pinstriping. Also, ‘muscle cars’ had arrived, customized with bold applications like flames symbolizing power and rebellion. By 1980, vinyl graphics expanded the possibilities: pinstripe tape and pre-cut vinyl kits enabled drivers to apply customized looks without the previous high price tag of professional customization. Pinstriping became easily available in a variety of colors,

widths and styles. Today’s enthusiasts have available both hand-applied and custom or kit vinyl materials for both vintage and new cars: matte finishes, carbon fiber textures or retro-inspired stripes.

Early custom car shows displayed the growing culture of auto personalization. In the 50’s and 60’s these shows provided a platform to display owners’ creativity, fostering camaraderie and a friendly competitive spirit. Iconic events like the Detroit Autorama and the NHRA (National Hot Rod Association) drag racing competitions both popularized and propelled the automotive customization movement. More recently, celebrity culture has contributed as high-profile individuals showcase their individual cars, making certain styles desirable and aspirational. Even music such as hip hop uses, for example, custom tailored SUVs to exhibit musicians’ individual style.

Quotes from the internet about famous figures in the movement

“Ed “Big Daddy” Roth stands out as a transformative figure, renowned for his innovative custom cars and imaginative designs in the 1950s and 1960s. His creations, such as the “Rat Fink” character, broke conventional boundaries and helped popularize hot rodding and customization among youth.

Another influential pioneer is George Barris, often called the “King of the Kustomizers.” Barris gained fame for transforming production cars into iconic custom vehicles, including the famous Batmobile for the 1960s Batman

TV series. His artistic vision contributed to mainstream acceptance of car customization as a legitimate form of creative expression.

Additionally, Boyd Coddington played a vital role from the late 20th century onward, elevating the craft of custom car building with his meticulous craftsmanship and innovative techniques. His influence is evident in the modern custom car industry, inspiring countless enthusiasts and professionals.”

37th Virginia State Convention

February 18-20 2027

The Merry Notes Square Dance Club sponsored a successful fund raiser for flooring for the 2027 Virginia State Convention on August 14 2026. Dick Otis and Grant Moser called and Christina Eum cued. Both the callers and cuer donated their time for this dance. \$850.00 was donated to help pay for the flooring. If you would like to help by making a flooring donation, email me at nvccnan@gmail.com We would really like to raise around \$2500 which would help pay part of the flooring cost.

The actual dates of the Convention are February 18-20, 2027. We will be dancing at the Holiday Inn Virginia Beach / Norfolk Hotel & Conference Center.

We have had more callers sign up for the Convention. As I write this, 18 callers have agreed to call and 6 cuers have signed up. We also have 4 Line and 2 Clogging instructors. We even have one Contra prompter who also calls. We really appreciate all of the Calling, Cueing, Line and Clogging staff who are donating their time for the 2027 Convention.

There will be a Second Hand Rose Sale which will give you an opportunity to find some different items for your square

dancing enjoyment. Misty Sorensen would be happy to accept your clothing donations. Email Misty at crudshark@yahoo.com or contact me to arrange for pickup.

We will have a basket raffle. If you would like to donate a basket for the Convention, let Rita West know. Rita's phone number is 757-870-2346. Rita would definitely like to hear that you plan to bring a basket to raffle.

There will be an After Party program on Saturday night. You won't want to miss this show as Mary Jo Smith and Grant Moser will be bringing the entertainment.

If you have not yet registered for the Convention, we hope you will do so soon. The price is \$50.00 each for the full Convention. The room rate is \$129.00 plus tax. The deadline for the room rate is January 18 2027. Please see flyer in this issue

"500 Club" Fundraiser to raise funds to be able to get the Ghost Riders Band at the convention.

The "500 Club" fundraiser involves selling 500 tickets at \$50 a ticket. All tickets have two three digit numbers that are eligible for two drawings every week for 52 weeks.

We hope to have all 500 tickets sold by September 30, 2026
so we can run the fundraiser from
October 1, 2026 through September 30, 2027.

The winning numbers are based on the Dow Jones Closing on
Tuesdays and Fridays - this includes dollars and cents.
If one of the two numbers on your ticket match the closing numbers of
the Dow Jones the winner would win \$50 -
payouts to be done on a monthly basis.
Those two numbers are good throughout the whole 52 weeks so you
have a chance to win multiple times.

If all 500 tickets are sold we have the opportunity to raise
approximately \$19,000 which would help significantly in getting the
Ghost Riders Band to our convention in Daytona Beach, Florida 2028

There are a couple of ways to help support this fundraiser:
The first is obviously in buying a ticket; but the second is also in
selling tickets.

FOR IMMEDIATE RELEASE

(August 2026)

***** S T A R T *****

Plus Dance Program Supplement Guide

*Effective September 1, 2026
Available at CALLERLAB.org*

CALLERLAB is pleased to announce the release of the Plus Dance Program Supplement Guide. The Plus Dance Program Supplement Teaching Guide was created to support teaching the additional calls for use in the Plus Program starting in September 2026. The purpose of this supplement is to provide modules and ideas as to possible usage of the newly added calls to the Plus Program.

Supplement Guide Structure

The sections of the Plus Supplement Teaching guide covering each call are divided into four sub-sections, listed below.

Stand Alone Patter

This section shows modules using the newly added call with only Mainstream calls to support it. This would allow any caller to utilize these modules regardless of when they wanted to insert them into their own program or teaching order.

Teaching Order Patter

This section shows modules using the newly added call with only Mainstream calls and calls that occur prior on the CALLERLAB Plus Program suggested teaching order. For Example: Scoot and Dodge is #7 on the CALLERLAB Plus Teaching Order, so modules in this section will utilize the 50 mainstream calls and calls #1 thru #7 on the Plus Teaching Order.

Teaching Order Extended Applications

This module is in blue and follows the same rules as the previous Teaching Order modules. It is cautioned, however, that this choreography may be considered difficult or challenging to the average dancer. Callers should carefully study the material prior to presenting it to their dancers, to be able to assist where needed. It should also give callers insight into how to stretch their dancers' skills should that be warranted at workshops, etc.

Singing Call

These modules are singing call figures showcasing the newly added calls. It should be noted that singing call figures are always in flux. Depending on many conditions, (environment, sound, dancer skills, caller timing, etc.), some of these figures may need to be modified to fit the circumstances. Always review and examine choreography before simply reading it to your dancers.

How to Access the Plus Supplement Guide

The Plus Dance Program Supplement Guide is available now via a free download at <https://callerlab.org/download/plus-supplement-guide/>.

CALLERLAB thanks the Plus Committee for its dedication to this project and its continued work to strengthen caller education and support the success of dancers worldwide.

FREDERICK COUNTY PROMENADERS

Margie Barber

The Frederick County Promenaders held their 6th and final Summer Sizzler dance on Friday, August 21st. This was our Beach themed dance, with Terry Headlee calling and leading line dances. Prior to this dance, in June and July, we hosted the following guest callers: Grant Moser, Art LaVigne, John Marshall and David Black. We had five squares up dancing at each dance. All of our dances alternate Mainstream and Plus tips

Our Wednesday class of five students graduated in early June, and both the newly graduated students and angels continued to practice both Mainstream and Plus calls every Wednesday evening until the end of July.

Our Open House for our fall class will be held on Wednesday, September 9th from 7-9 p.m. at the Bal-

lenger Community Center, 5460 Jefferson Pike, Feagaville, Frederick MD. We have advertised with yard signs, a large banner in front of our dance hall, announcements on various Facebook pages, and by word of mouth. We have two demos coming up: Sunday, August 30th at Baker Park before the Sunday evening concert, and Saturday, September 26th we will be performing a demo and inviting onlookers to dance with us at The Great Frederick Fair from 1-3 p.m. At both events, we will distribute flyers about our fall class.

We're hoping to have another great class of students this year. Our goals are to: instill a love of square dancing by meeting weekly to learn and practice calls; to establish friendships with the new students and to strengthen friendships with our current members/angels; and to always have a lot of fun!

AnneMarie Giancoli

May 15, 1937 — Aug 7, 2026

Anne Marie Giancoli, (Anne) 89, of Glenn Dale, MD, passed away peacefully on Friday, August 7, 2026, at Frederick Memorial Hospital. She was born on May 15, 1937, in Washington, DC.

During her life, Anne was an active member of the Circulators Square Dance Club and the Belair Square Cats, where she enjoyed traveling around the country for various conventions. She was also a devoted member of Ascension Catholic Church, where she sang in the church choir, & volunteered when she could.

Anne's favorite place was Chincoteague Island, VA, where she owned a vacation home for many years. She loved the beach and took every opportunity she could to spend time there with her family and friends.

Anne cherished her family above all else. She loved them fiercely and never missed an opportunity to tell anyone who would listen how proud she was of their accomplishments. Always with a smile and a sense of pride that was unmistakable.

The love and support Anne poured into the people she cared for was immeasurable. She had a generous heart and a way of making everyone around her feel loved, welcomed, and cared for. Her home and her heart were always open, and the memories she created with her family and friends will be cherished for generations to come.

Anne was preceded in death by her loving husband of 56 years, Ivo Andrew "Andy" Giancoli, and their son, Andrew Joseph Giancoli. She is survived by her two daughters, Theresa Sutton of Knoxville, MD, and Joyce Limon of Ellicott City, MD; her four grandchildren, Sara Sutton and Jami, Greg, and Jenna Limon; and her sister, Michele "Micki" Abraham.

Anne will be deeply missed by all who knew and loved her. Her love for her family, her warmth, and the memories she created with those around her will remain in their hearts forever. In Lieu of flowers please donate to American Lung Association.

Glenn George Marshall, age 93, passed away peacefully on 30 June 2026 in York, Pennsylvania. He was born on 23 November 1932 in Providence Hospital, Highland Park, Michigan to George Victor Marshall and Viola Marshall, Nee: Schoen.

For 65 years, Glenn was a devoted husband to Joanne Jean Marshall, Nee: Olive, known to family and friends as “Bunny.” He was a loving father to son Mark George Marshall and daughter Jann Louise Marshall Nakoski, and a proud grandfather to Vanessa Flora-Nakoski and Scott Nakoski.

A consummate “car guy,” Glenn applied for his driver’s license on his 14th birthday, promptly bought a 1932 Chevy for \$200, and used it to ferry members of his high school foot team. Until 2025, he was a professional driver shuttling cars for Hertz Rent-a-Car and volunteering to drive members of the community to appointments.

Glenn graduated from the University of Michigan with a BS in Engineering and practiced engineering at Westinghouse, and as a Planning Specialist and a Marketing Manager at Lord Corporation in Erie, Pennsylvania.

In his free time, he enjoyed square dancing with Bunny and he was still dancing—sort of—in 2026. The family was active in Lakewood United Methodist church, Millcreek, Pennsylvania. After Glenn and Bunny retired, they traveled, hiked the Smoky Mountains, and enjoyed volunteering at the annual National Story Telling Festival in Jonesborough, Tennessee.

Experience the FUN, joy and camaraderie of square dancing without having to complete formal square dancing classes. The emphasis will be on "dancing" rather than "learning." A few calls will be taught and then danced in a simple pattern. New calls and choreography will be added as the dancers progress.

Need a valid health-related reason to try square dancing?

Here (paraphrased in part) is what *AARP research has found.

“...**you** can make a difference in your **brain’s health**.

...**MOVE** (exercise), **RELAX** (sleep enough and avoid stress),
NOURISH (eat well), **DISCOVER** (think), and **CONNECT**
(socialize).”

“What works best? ...**DANCE**... It’s FUN, it involves other people, it’s exercise, it challenges you to learn patterns and movements.”
