## WASCA FESTIVAL DEFINITIONS AND RULES

2x2's are alternating PLUS Squares and Round Dances Phases II-IV.

**Beach Boys Hour** – in honor of Brian Wilson who died in June 2025 during planning for WASCA 2026. This hour will feature Beach Boys music.

**Black Light Party** – only those comfortable dancing in the dark should participate. Participants will be given fluorescent white gloves, and everyone is welcome to wear glow sticks.

**DBD** is **DANCING** by **DEFINITION**. This is for experienced DBD dancers except for the INTRO session.

**DIE HARD** is a fast pace, high energy square dance session.

**HEX Square Dancing** is dancing with six couples in a hexagon instead of a square. HEX uses the same call names and definitions that you already know. While the number of dancers and the shape is different, *Right and Left Grand* is still 4 hands.

**INTRO** are sessions where dancers will be learning a few calls at the next dance level.

**Polyester Hour** – bringing back the 1970s polyester suit from the disco era!

**Sewing Panel** – featuring Instructor Donna Klais. Donna has been a long-time sewing panel instructor. During the session, you will create easy dance bags, including Crinoline, Shoe, and Purse bags. Door prizes will be provided.

• **SEWING PANEL** is FRIDAY, 2:00-3:30 PM in the RED FOX ROOM •

**Traditional Square Dancing** – has been around much longer than Modern Western Square Dancing and encompasses a variety of regional styles. There is typically live music, and no prior experience is needed, the caller walks you through the figures. We'll dance Squares from New England, from the South, and from the West, with a couple of Singing Squares for good measure!

**Workshops** are sessions where dancers can ask for help at the current dance level. These are NOT an introduction to the next dance level.
